

PSYCHOLOGY MINOR
DEPARTMENT OF PSYCHOLOGY
WRIGHT STATE UNIVERSITY

The psychology minor serves to meet the needs of students who would like a better understanding of psychological processes. Students in a wide variety of majors may benefit by supplementing their knowledge and skill with a stronger background in psychology. The minor is flexible so that subsets of courses appropriate for particular majors may be selected. Students in biology, business, communication, computer science, education, engineering, nursing, and sociology may find that the psychology minor enhances their educational goals.
